OUR SERVICES

Interior Design

Lighting Design

WVK Group Co., Ltd. is a full service residential and commercial interior design. Our designers have expertise in local and international high-end architectural design creating beautiful interiors decoration, which reflects client's taste and lifestyle. We coordinate, supervise, and especially find solutions for the design problems to make client's dreams come true.

Our work process is based on analysis and understanding of the client's objectives to create the design reflecting their image, and enhancing their identity that can meet their requirements.

With our professional experiences, we have flexible interior design services providing a wide range of designers; residential, commercial retail units, resort hotels, condominiums, offices, showrooms, museums, restaurants, club houses, and shops, entertainment and beauty centers including all construction sites.

There are mainly 4 stages of interior design:

- Planning
- Design Concept
- Working drawing and specification
- Site supervision

Interior and Lighting Design Service :

- Planning by integration of all work for building service and coordination with engineers and other specialists.
- Preparation of production design, drawing, and details
- Preparation of specification
- Selection of all materials and equipment
- Cost evaluation
- Provision and selection of contractors
- Positioning of electrical wiring, water supply, and air-conditioning
- Site supervision and management

OUR SERVICES

Graphic Design

WVK Group Co., Ltd. is fluent in graphic design. We serve our clients with every aspect of graphic design services; logo, signage, corporate identity and packaging design. We have our design profile accepted in both domestic and international level. We realize that the value of design can be used to dramatically enhance product image. This helps our clients to compete in their market and eventually attain success in their services, and sales for their companies.

Our experiences in graphic design are creating logo and signage for individuals and corporate; beauty centers, restaurants, spas, shops, land developer and hotels etc. Moreover, we are well-known especially as a specialist in product and packaging design: furniture, consumer packaging design and consumer product design
